

or Agent Clearing Member applicant is a registered broker-dealer, it would be subject to particular financial resource requirements, as specified in the proposed rule. Only a qualified institutional buyer or a legal entity that satisfies the financial requirements necessary to be a qualified institutional buyer would be eligible to be a Sponsored Member. In addition, an applicant must provide adequate assurances for its financial responsibility and operational capability.

Second, the proposal is reasonably designed to allow direct and indirect participants to access the new SFT central clearing service by establishing new membership categories to allow for such access by particular types of market participants. For example, a participant who cannot or does not want to meet the requirements to become either a member, a Sponsoring Member, or an Agent Clearing Member can participate as a Sponsored Member or as a Customer, the latter of which does not have a direct relationship with NSCC.

Third, the proposal is reasonably designed to allow NSCC to monitor compliance with participation requirements on an ongoing basis. The proposal would require an SFT member to notify NSCC if it is no longer in compliance with applicable requirements to be an SFT member, and allow NSCC to inspect SFT members' financial resources and operational capability on an ongoing basis.

For the foregoing reasons, the Commission believes that the proposal is consistent with Rule 17Ad-22(e)(18).⁵³

E. Consistency With Rule 17Ad-22(e)(19)

Rule 17Ad-22(e)(19) under the Exchange Act requires a covered clearing agency to establish, implement, maintain, and enforce written policies and procedures reasonably designed to identify, monitor, and manage the material risks to the covered clearing agency arising from arrangements in which firms that are indirect participants in the covered clearing agency rely on the services provided by direct participants to access the covered clearing agency's payment, clearing, or settlement facilities.⁵⁴

The proposal allows Sponsoring Members to submit Sponsored Members' transactions to NSCC, and Agent Clearing Members to submit its Customers' transactions to NSCC. In both cases, Sponsoring Members and

Agent Clearing Members would be ultimately responsible to NSCC for Sponsored Members' and Customers' transactions and liable to satisfy all settlement obligations. Both Sponsoring Members and Agent Clearing Members serve as the processing agent for all the Sponsored Member and Customer transactions responsible for posting margin and satisfying any losses arising from the client transactions. Sponsoring Members and Customers do not have any direct mechanism to submit their own margin or settle transactions directly with NSCC. Moreover, even though Sponsored Members would be principally liable for their own settlement obligations, Sponsoring Members' guaranty requires Sponsoring Members to satisfy settlement obligations on behalf of its Sponsored Members.

By calculating and collecting margins for Sponsored Members' and Customers' transactions and providing certainty that Sponsoring Members and Agent Clearing Members would be responsible for their Sponsored Members' and Customers' transactions, the Commission believes that the proposal is consistent with Rule 17Ad-22(e)(19).⁵⁵

F. Consistency With Rule 17Ad-22(e)(21)

Rule 17Ad-22(e)(21) under the Exchange Act requires a covered clearing agency to establish, implement, maintain, and enforce written policies and procedures reasonably designed to be efficient and effective in meeting the requirements of its participants and the markets it serves, including the clearing agency's clearing and settlement arrangements and the scope of products cleared or settled.⁵⁶

As described above in Section II.B.(1) and (2), the proposal is designed to reflect the current structure of the bilateral securities lending market, ensuring that relevant features and market participants subject to differing regulatory requirements and existing contractual relationships can be accommodated as part of the service provided by NSCC. For example, the proposal would allow for central clearing of SFTs with a one business day term, in order to provide a scheduled settlement date so that the transaction may be eligible for balance sheet netting benefit as explained in Section II.(B)(1). Second, the proposal would allow accelerated settlement so that certain market participants are able to quickly unwind their SFTs to satisfy

applicable regulatory requirements. Third, the proposed membership categories would accommodate principal and agency trading to allow different types of market participants to enter into the new SFT central clearing service, consistent with their business models and applicable regulatory requirements.

Accordingly, the Commission believes that the proposal is reasonably designed to be efficient and effective in meeting the requirements of its participants and the market it serves, and consistent with Rule 17Ad-22(e)(21).⁵⁷

VI. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular with the requirements of Section 17A of the Act⁵⁸ and the rules and regulations promulgated thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act⁵⁹ that proposed rule change SR-NSCC-2022-003, be, and hereby is, APPROVED.⁶⁰

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶¹

J. Matthew DeLesDernier,
Assistant Secretary.
